## SUNDAY SCHOOL STANDS FOR OPEN BIBLE

What President Wilson Thinks of Book of Books.

It was when he was governor of New Jersey that Woodrow Wilson made an address at a Sunday school convention from which the following brief extracts are taken:

"The beauty of the Bible is that it is a book that can be read by every man, woman and child. It is a book that is as true as the sun and as good as the earth. It is a book that is as old as the world and as new as the day. It is a book that is as simple as the language of the people and as deep as the thoughts of the angels. It is a book that is as true as the sun and as good as the earth. It is a book that is as old as the world and as new as the day. It is a book that is as simple as the language of the people and as deep as the thoughts of the angels."

# The Cole Aero-Eight

Who will produce a true likeness of the new Cole Aero-Eight? Photographers fail to do it justice, Artists have tried with pen and palette to depict it. But the elusive beauty of the Aero-Eight seems to mock all efforts to reproduce it.

Even now we have a standing offer to anyone who, in an illustration, can faithfully portray the car. Aero-Eight design is new—it is unprecedented.

Ordinary motor car terms do not describe it. A new automobile vocabulary is needed for this new standard of automobile art.

For that reason we want you to come and see the car itself that you may judge it from the original instead of from inadequate illustration.
