The Price Current of the 17th commission, by firing twenty-one minutes guns, pleasure, or of distress. Governor Barbour made states the sales of cotton at 2500 bales, at a reduction of 3 to 1 cent per pound. Tobacco was received, and by wearing their flags half-mast an opportunity at the time of taking notes, we in good demand. Flour 3 dollars per barrel. The Mercantile Advertiser of the 19th says, we of the marine corps wearing crape on the left some time in that strain of cloquence and feel learn from Mr. Wille, that on Saturday, after his arm for six months. Price Current was put to press, all the flour on l the levee, was bought up by speculators, at the prices at which he quoted it. There is now none in first hands; and unless the arrivals should be large, the article must advance considerably.

SPAIN.—The new quarantine regulations i Spain requiring all vessels from the United States having clean bills of health, provided there has been no sickness on board, to go to Vigo Bay and perform a quaractine of five or six days, went into operation on the 1st of June, and wil continue full tire 15th of November,

IMPORTANT FROM COLOMBIA. We received on Saturday evening, the following interesting letter from our correspondent at Porto Cabello, Venezuela, dated June 20, 1826:

"By the schooner Rehoboth, captain Ellis, who leaves this port tomorrow, for New York, I have to advise you, that things in this province are far from being settled. We received intelligence at eight o'clock yesterday morning from Cumana, that general Burnudez was on his march with 10,000 troops, destined to this place. Th forces at Carthagena are ordered, and are soon expected here. On account of this intelligence, they have ordered the troops to repair immedial ately to Valencia to join general Paez. The by the reading of the mayor's call by the secretary. eastle at the entrance of the harbour is doubly | general Jones rose: an entrance from an enemy in that direction.
