Advertisements All new advertisements either for the iri-weekly or weekly paper, will have, it respected, one or more in sections in the other without extra charge, usel will they obtain a more general circulation than through any other bournel in Zapawille. Business men therefore, would find it for their laterest to employ our columns.

WHICH COUNTY CONVENTION. The Whigs of Muskingum County are requested to meet in their respective townships, at the usual places of holding elections, on Saturday, the Eleventh day of August next between the hours of 2 and 4 P. M., to elect mer's attention. TAVO DELEGATES from each township respectively, who will meet in County Convenide in the Senate Chamber at Zanesville, on MONDAY, the THRTEENTH day of August, at que n'elock P. M. to nominate a County ticket to be supported by the Whigs of Muskingon at the easilog Fall Election, and to attend to such other business as may be brought before

township that, wherever practicable, they elect their delegates as above, by bullot. WHIG CENTRAL COMMITTEE.

: July 19, 1849.

A RECOMMENDATION

BY THE PRESIDENT OF THE UNITED STATES. At a season when the Providence of God has munifested itself in the visitation of a fearful pestilence which is spreading its ravages throughout the land, it is litting that a people whose reliance has ever been in his protection should homble themselves before His throne, and, while acknowledging past transgressions, ask a contingance of the Divine Mercy.

the United States as a day of fusting, humiliation and prayer.—All business will be suspended in O. Crescent thus remarks: the various branches of public service on that day; and it is recommended to persons of all religious denominations to abstain as far as practicable from secular occupation and to assemble in their respective places of Public worship, to acknowledge the infinite goodness which has long crowned us with manifold blessings, and to implore the Almighty, in His own good time, to ever declared his purpose to vots for it. stay the destroying hand which is now lifted up against us.

Z. TAY LOR. against us. Washington, July 13, 1849.

Above we re-publish the recommendation of the President. The day appointed comes tomorrow. The Churches of the town generally will be opened and appropriate exercises had ---Will not the day be observed by business men and ail?

IL A press of advertisements and of long standing matter precludes our usual variety to-

Cholera Items.

At Columbus 3 deaths reported for the 31st, and 8 cases with no deaths for the lat. At Dayton I death on Mouday, and 2 on Tuesday .- At Cincinnati 11 Interments on Tuesday; during the week ending on that day, 109 from Cholera and 362 in all. In St. Louis 34 cases and 12 deaths on Tuesday. From Sandusky, we have nothing late: the state of things has been terrific. The dead were enlosed in rough board boxes and buried in a long trench. The physicians all died or fled the city, but others nobly filled their places from abroad. The day-trains on the railways were suspended. At Cleveland 13 cases and 3 deaths for the 20th and 30th. Many deaths

Public Health.

We invite the attention of readers, in town and country, to the Ordinances of the Town published-to-day. It will be seen that, in accordince with the action of the authorities in nearly every town of importance in the West, and in compliance with one of the first duties of act not chargeable upon the tribes. a local government—that of promoting public health-the Council have prohibited the sale. within the Borough limits, of many varieties of fruits and vegetables, the ordinance to take effect in ten days. No fact is more clearly established, wherever the prevailing epidemic has shown its dreadful front, than that of the injurious and not unfrequently fatal effect of indulgence in eating unripe vegetables and fruitsand wherever the epidemic has prevailed, the itself. It is a matter for congratulation that the chard for a song. Council have, wisely and firmly, taken this
