GOV. WOODROW WILSON INVITED TO DALLAS

MAIL AND TELEGRAPHIC INVITATION SENT HIM.

Asked to Attend Tercentenary Celebration for the King James Version of the Bible.

It is possible that Gov. Woodrow Wilson of New Jersey will be the principal speaker at the tercentenary celebration for the King James Version of the Bible, a celebration to be held shortly in Dallas and to be a State-wide affair. It is under the auspices of the Dallas Pastors' Association and the American Bible Society. It is to be held in the State Fair Grounds "Coliseum." The exact date has not yet been determined.

With a personal letter from Mayor W. M. Holland, with invitations from the Chamber of Commerce, from the Pastors' Association and from a number of prominent men in the State, a formal invitation has been sent by mail to the Governor's office at Trenton, and by wire to Denver, where on Monday evening Gov. Wilson is to speak on his Western tour.

As soon as it is known when he can be in Dallas, if he will consent to come, the former president of Princeton University will be allowed to set the date for the celebration, which will be framed accordingly.

The tercentenary year is 1911 and celebration is being held all over the world. No specific date is set for it, though many are to take the period from April 1 to the latter part of May.

On the committee from the Pastors' Association at Dallas, sending the invitation are Rev. J. Frank Smith, Dr. George W. Truett, Rev. J. L. Land, and by wire to Denver, where on Monday evening Gov. Wilson is to speak on his Western tour.

As soon as it is known when he can be in Dallas, if he will consent to come, the former president of Princeton University will be allowed to set the date for the celebration, which will be framed accordingly.
